Conservation Security Program Delineation of Agricultural Operation

Natural Resources Conservation Service United States Department of Agriculture

Minnesota, 2006

Please list the farm identification (i.e., farm name or farm number) and associated tract numbers or field names, along with the number of acres that are part of your agricultural operation. The farm identification and associated field identification should be clearly marked on maps. Also, please indicate whether or not you have control of the land for the life of the contract and, if the land is rented, please provide documentation showing that have control (see the Control of Land Documentation Sheet).

The delineation of the agricultural operation must include ALL LAND, whether contiguous or non-contiguous, under the control of the applicant, and constituting a cohesive management unit that is operated with **equipment**, **labor**, **accounting system**, **and management that are substantially separate from any other.** The minimum size of an agricultural operation is a field.

Farm Identification (Farm Name,Farm Number)	Field Identification (Tract Number, Field Number)	Acres	Do you have control of this land? (Yes or No)	Control of Land Documentation (NRCS USE ONLY)

I certify that, to the best of my knowledge, the above information is correct and that, if requested, I will provide additional documentation to support the above information.				
Applicant Signature:	Date:
